

Oil for compressors L-DAA 100 1l

Product code:

SP131-01-001

Product description

SPARTUS® Pneumatics compressor oil is composed of specially selected and appropriately refined raw materials of the highest quality. It is designed to work with light loads in piston, rotary and vane compressors. The additives used in the oil significantly improve its adhesive properties, at the same extending the lifetime of the parts oiled.

Technical parameters

Capacity

1l
