

Pneumatic tools VG32 oil

Product code:

SP131-02-005

Product description

SPARTUS® Pneumatics tools VG32 oil is a high quality mineral oil destined for lubrication of pneumatic decices and tools. Only deeply refined mineral oils and rafining additives have been used for its production. A specially developed formula ensures proper lubrication of pneumatics systems, protectsagainst corrosion and positively affects the durability of working elements.

SPARTUS® Pneumtics VG32 oil also has very good high-pressure features and excellently works in freezing temperatures.
