

## Sweatband (pack of 2pcs)

**Product code:**

SP20-3100V

### Product description

The universal SPARTUS® sweatband with a length of 22 cm fits perfectly on all types of headgear of welding helmets. Made of flame-retardant material, it not only absorbs sweat, which makes it difficult to work in high temperatures, but also prevents the headband from slipping. In addition, the soft form prevents pressure points during long-term use of the welding helmet.

#### Standards:

EN ISO 11611: 2003 Clause 6.6  
TÜV AK 60013119 0001  
TÜV 21120493 001

#### Advantages:

Headband and sweatband combined in one product  
Made of flame-retardant material  
Perfectly absorbs sweat  
Prevents the headband from slipping  
Improves the comfort of the welder's work

SPARTUS® sweatband was made by the company Weldas®, appreciated all over the world for safety products for welding.
