

Vortex Eco 160 extraction arm - 2m, standing model

Product code: SP030-10-162PE

Status: News

Product description

Vortex Eco extraction arms

Vortex Eco arms are an economical solution in extraction technology. Made from flexible PVC and stretched over a sturdy internal support structure, they are intended for occasional use. Their main advantage is their low cost, making them an attractive choice for locations with occasional extraction needs. Vortex Eco arms are ideal for smaller workshops and hobbyist applications.
