

## Welding gloves highest quality XL

**Product code:**

SP10-1005XL

### Product description

Welding gloves SPARTUS® 1005 made of calf leather which guarantees the highest quality, flexibility and wearing comfort. Perfect fit in the welder's hand and the seamless index finger provide full control and feel of the welding wire. The high quality and high flexibility of the materials used in the production make the SPARTUS® 1005 gloves ideal for TIG welding. We have achieved increased thermal and mechanical resistance thanks to the use of non-flammable threads. The durability and reliability of the glove is confirmed by the TUV 21128415 002 certificate.

*Standards:*

EN 12477 (09.2005) TYPE A/B  
TÜV BP 60017622 0003
