

Welding gloves XL

Product code:

SP10-1007XL

Product description

Welding gloves SPARTUS® 1007 made of full-grain goat leather (the palm area) guarantee a perfect fit for the welder's hand. Thanks to the high flexibility of the materials used in the production, we obtain a perfect feeling during the welding process, min. TIG method. Reinforced back and cuff made of cow split leather protect the user against high temperature and mechanical damage. The durability and reliability of the glove is confirmed by the TUV 21128415 002 certificate.

Standards:

EN 12477 (09.2005) TYPE B

TÜV BP 60017622 0003

TÜV 21128415 002

Requirements:

412X4X

2111

Advantages:

Goatskin palm

Cow split leather back and cuff

SPARTUS® 1007 gloves were made by the company Weldas®, appreciated all over the world for safety products for welding.
