

This exploded view diagram illustrates the components of a handheld ultrasonic welding tool. The main assembly is shown on the left, with a handheld tool (1b) featuring a handle and a trigger. The tool's head (1) is shown in an exploded view, revealing a series of components: a base (1a), a cylindrical component (4), a small pin (5), a small ring (6), a larger ring (7), a large cylindrical component (8), a smaller cylindrical component (9), a large cylindrical component (10), and a small ring (11). A separate component (13) is shown below the main assembly. On the right, a detailed view of the tool's head (1b) is shown, highlighting the trigger mechanism (2) and the base (1a). The diagram uses dashed lines to indicate the assembly sequence and alignment of the parts.
